PORTFOLIO

320.224.7956

ash.shanbhogue@gmail.com

I am a product designer with a background in engineering and education, passionate about solving business problems with user centric design.

EDUCATION

Designlab / UX Academy
FEB 2021 - JUNE 2022

Manipal Institute of Technology / BE Electrical and Electronics
1998 - 2003

SKILLS

Visual Design, UI/ UX Design, User Research, Persona Development, Wireframing, Interactive Prototypes,
Figma, Adobe Creative Suites, Miro, Microsoft Suite, Wix

EXPERIENCE

Freelance / UI/UX Designer
07/ 2022 - PRESENT
Collaborating with local swim school to create web UI/ UX through wireframing and prototyping.

LeftRightMind / UI/UX Designer
09/2021 - 11/ 2021
Worked in close collaboration with stakeholders and UI/ UX designers in an Agile based product development environment: translated complex industry jargon into easy to understand instructional text, assisted the team in making design decisions adhering to design standards.

Comeplay / UI/UX Designer
07/2021 - 09/ 2021
Lead UX design for an app that fosters community amongst neighborhood children with interactive activities and games. Collaborated with founding team members to learn the start up scene.

PAUSD / Educator / Teacher's aide
2016 - 2020
Assist teachers in modifying curriculum for children with learning disabilities. Dissect their needs, respect limitations and design coursework to create an enjoyable learning experience.
